

Zurich Real Estate Insurance

What is the purpose of this product?

Commercial property owners' policy providing material damage, loss of rent and property owners liability for commercial risks and commercially traded residential risks.

What is the target market?

This is a commercial property owners policy, for commercially managed portfolios that are Broker intermediated risks to cover buildings and rent and property owners liability for any property owned and leased to tenants. We can underwrite heavier exposures where balanced by preferred business.

What is the non-target market?

SME risks as these are dealt with on Acturis.

How is the product distributed?

This product can be distributed by Brokers or delegated authority.

Does the product demonstrate fair value?

The outcome of the Fair Value Assessment (FVA) conducted in accordance with Zurich's published FVA Methodology confirms that the product provides fair value. All products listed have passed the Fair Value Assessment and are valid until 31/08/2026.
